#### 4. FIRST AID MEASURES

Background: If have health problems, or to long-term symptoms should always consult a doctor and give him the information given by the security page.

Inhalation:	None.
Ingestion:	Symptoms: stinging. Rinse mouth immediately and drink a lot of water. Get medical attention.
Eye contact:	Symptoms: stinging and irritation. Rinse eyes with plenty of water for 10 minutes. Get medical attention if symptoms persist.
Skin contact:	Wash skin with water and soap.

#### 5. FIREFIGHTING MEASURES

<b>5.1.General information:</b>	None
<b>5.2.Suitable extinguishing media:</b>	CO <sub>2</sub> , water spray, sand, foam.
<b>5.3.Inappropriate Extinguishing Media:</b>	None
<b>5.4.Fire danger:</b>	Combustion may produce toxic fumes, flammable vapours.
<b>5.5.Advice for fire fighters:</b>	Use suitable protective equipment, protect respiratory tract.

#### 6. ACCIDENTAL RELEASE MEASURES

<b>6.1.Personal precautions:</b>	See point 8. Avoid contact with eyes.
<b>6.2.Environmental precautions:</b>	Prevent released material entering soil and subsoil. Avoid run-off into drains and sewer.
<b>6.3.Methods and material for containment and cleaning up:</b>	
<i>For Household Settings:</i>	Wash floral water area with detergent. Dilute with water.
<i>For Non-Household Settings:</i>	Use safety glasses or safety goggles if splash hazards exist; use gloves and other protective clothing (apron, boots, etc.) to prevent skin contact. Absorb

spill with adsorbent material and dispose of according to local regulations.

## 7. HANDLING AND STORAGE

### 7.1. Handling:

*For Household Settings:*

Keep out of reach of children. Avoid contact with eyes.

*For Non-Household Settings:*

Use suitable gloves.

### 7.2. Storage:

Keep in sealed containers away from light, heat and humidity. Keep in a well ventilated place.

## 8. EXPOSURE CONTROLS AND PERSONAL PROTECTION

### 8.1. Products with workplace exposure limits:

None.

### 8.2. Occupational exposure control:

*For Household Settings:*

These are a personal care cosmetic products that are safe for consumers and other users under normal and reasonably foreseen use.

*For Non-Household Settings:*

Hygiene measures:

Information:

See point 7. Handling and Storage: Avoid contact with eyes. Observe safety precautions when working with the product.

Respiratory protection:

None.

Hand protection:

PVC gloves.

Eye/face protection:

Safety glasses.

Skin protection:

Not relevant. In case of contact, wash with plenty of water.

Thermal hazards:

None.

**8.3. Environmental exposure controls:** None. In accordance with good industrial practice handle.

## 9. PHYSICAL AND CHEMICAL PROPERTIES:

Appearance:	Clear, transparent liquid
Colour:	Colourless
Aroma:	Natural
Solubility in water	Soluble
pH	5.1-5.5
Boiling point	Approx. 100 °C
Relative density	0.995-1.005

## 10. STABILITY AND REACTIVITY

### 10.1. Stability:

Stable under normal conditions of use.

### 10.2. Conditions to avoid:

Stable under normal conditions of use.

### 10.3. Materials to avoid:

Avoid contact with strong oxidizing agents, strong acids.

### 10.4. Hazardous decomposition products:

In case of contact with element metals (alkaline, alkaline earth metals), nitrides, strong reducing agents, flammable gas may develop. May catch fire

in case of contact with mineral oxidizing acids, element metals, nitrides, organic peroxides and hydroperoxides, oxidizing and reducing agents.

#### **11. TOXICOLOGICAL INFORMATION**

Not considered as toxic under pharmaceutical and cosmetic dosage. As all waters, this product is sensitive to microbiological contaminations.

Ingestion (acute oral toxicity): LD50 (rat): > 500g/kg.

#### **12. ECOLOGICAL INFORMATION**

Components can be distilled, purified and/or recycled. This product is biodegradable.

#### **13. DISPOSAL CONSIDERATIONS**

Dispose of in accordance with applicable local and national laws and regulations.

#### **14. TRANSPORT INFORMATION**

Non-dangerous product for the transport.

#### **15. REGULATORY INFORMATION:**

Danger symbol: Dangerous pictogram is not required.

#### **16. OTHER INFORMATION**

This sheet is an addition to the technical sheet and does not substitute it. The information contained in this sheet is based on our present knowledge of the product. The present information is honest. It is recommended to take the necessary safety measures due to the possible risks that can occur when the product is used for other uses than those indicated in this document. This sheet doesn't exempt users to know and apply the whole texts that regulate their activities. Users shall take the necessary precautions they know about the use of the product. The overall mentioned regulated prescription serve only to help receivers to comply with their obligations when using a dangerous product. The present data list is not exhaustive. Users shall verify other obligations that are imposed not them about the existence of other texts which regulate the possession and use of the product and for which users are the only ones responsible.
