

FICHA TÉCNICA

EXFOLIANTE FACIAL BAMBÚ POLVO 200 MICRAS

Analysis Methods Specifications

Note : Some dark bamboo particles can be present. These are a part of the product and absolutely not foreignbodies.

Analysis Methods Specifications

Durability

Shelf-life 120 months

Organoleptic characters

Appearance Less28Powder

ColorLess29White

Odor Less30

Light

Physicochemical properties

Density not tampedLess01400 to 600 g / l

Loss on drying Less08<= 20,0 %

Particle size dispersion

<= 50 µmLess02<= 15,0 %

<= 100 µm Less02>= 95,0 %

Bacteriology

Total aerobic plate count ISO 21149 <= 100 CFU/g

Yeast and mouldsISO 16212<= 10 CFU/g
